Logistics in Amritkaal-Vision 2047

Unleashing new opportunities for transformation
under National Logistics Policy (NLP)

Thursday, 27th June, 2024
Taj Mahal Palace, Colaba, Mumbai

Celebrating over 85 years of unwavering service to the esteemed Custom Brokers Fraternity, the Brihanmumbai Custom Brokers Association (BCBA) stands tall as a pivotal entity in India's vibrant trade landscape. Since its inception in 1937, BCBA has succeeded to become the largest association of Custom Brokers nationwide, strengthening its membership exceeding 2300 individuals who play a pivotal role in propelling EXIM Trade through key ports such as Mumbai Port Authority, Jawaharlal Nehru Port Authority, and Air Cargo Complex Mumbai. Our association holds a consultative status with esteemed ministries including the Ministry of Finance, Ministry of Commerce & Industry, Ministry of Civil Aviation, and Ministry of Ports, Shipping & Waterways, underscoring our commitment to fostering a compliant environment conducive to growth and development.

Over the years, BCBA members have assumed prestigious leadership roles on both national and international platforms including FFAI, FIATA & IFCBA, contributing significantly to India's narrative in the global logistics arena. Today, the role of a Customs Broker has transcended mere cargo clearances to encompass a comprehensive suite of integrated logistics solutions.

In alignment with the theme of the World Customs Organization (WCO) 2024, "Customs Engaging Traditional and New Partners with Purpose," BCBA has embarked on a journey to promote and implement this ethos through various proactive initiatives and outreach programs, including the forthcoming Logistics Conclave 2024.

As torchbearers of the EXIM industry, BCBA remains steadfast in its commitment to engaging in active dialogue with the Central Board of Indirect Taxes (CBIC), aiming to implement measures geared towards enhancing our country's rank in the Ease of Doing Business index, supporting the "Make in India" initiative, and realizing the objectives outlined in the National Logistics Policy (NLP).

The Logistics Conclave 2024 marks a significant milestone in our relentless pursuit of our vision and mission. We extend a heartfelt invitation to all stakeholders to join us in this transformative journey towards a developed India, epitomizing "Viksit Bharat 2047" and patronizing "Atmanirbhar Bharat," thereby achieving resilience in logistics.

Warm Regards

Dushyant Mulani

President, BCBA

Logistics Conclave 2024

The BCBA Logistics Conclave 2024 is a distinguished one-day event dedicated to exploring the latest trends and opportunities in the dynamic logistics industry. Attendees will have the privilege of partaking in insightful keynote presentations, engaging panel discussions, and invaluable networking sessions with esteemed experts and decision-makers of the industry.

Vision Statement

- **“To be the architects in shaping India’s Logistics Landscape and unlocking the growth potential towards Building a Viksit Bharat”**

Mission Statement

- **“To empower Customs Brokers to seize emerging opportunities and transcend boundaries in charting the course for a New India.”**

Objectives

- **Leveraging the National Logistics Policy (NLP) to harness transformative potential and unlock growth opportunities for customs brokers and logisticians.**
- **Promoting India’s skill in Logistics showcasing, epitomizing mastery in conceptualization and exemplary problem-solving capabilities.**
- **Embracing digital inclusivity in the era of artificial intelligence and embodying global interconnectedness through the adoption of cutting-edge technology tools and best practices.**
- **Inspiring with the success stories of Indian logistics companies and motivating Custom Brokers to emerge as global multi-logistics players.**
- **Facilitating MSME, higher inclusion of Women in Logistics Sector and advocating sustainable practices through Environmental, Social and Corporate Governance (ESG).**
